visit on 4 October; copies shown to Ambassador; and one copy each of 2 photos given to Chief, FBI, in Mexico. A handwritten note indicates that 4 pictures from 1 Oct + 4 from 4 Oct. were sent with this dispatch.

3. A letter from "Kin" to "J.C.". Eldon Rudd took the letter to Dallas and mailed it from there.

"Reference is made to our conversation of 22 November in which I requested permission to give the Legal Attache copies of photographs of a certain person who is known to you." Attached to the letter are copies of the photos with the dates stamped on the backs. The Ambassador decided it was very important to get the photos to Dallas so the

1. DIR 84802 (26-8) referenced to Mexi 7014 says:

"Thanks. This connection was also noted here."

The originator and A.O. was John²⁶ M. Whitten (C/WH3). The releasing officer was Thomas Karamessines.

2. Mexi 7019, originated and released by Kin Scott, reports that they have pictures of the "unidentified American type who is possibly Oswald" going into the Cuban Embassy on 15 October. The cable also reports that they are checking the photos from other dates. (27-10)

by direction Thomas Karamessines ADDP." It says: "Send staffer with all photos Oswald to HQS. on next available flight. Call Mr. [Whitten] at [65-2-6827] on arrival."

4. MEXI 7021, originated, released and authenticated by [Allan White] reports that an FBI agent left Mexico at 8:00 pm with two copies of six photos of the man believed to be Oswald. One copy was going to be mailed to [Jack Whitten] home, as Scott was so instructed in a telephone call from him. Copies of these photos, plus two taken at the Cuban Embassy were being sent by pouch. Cable asks if they (HQ) still wants a staffer to bring the photos.

5. DIR 84822 (52-22) is missing from the Mexico City Chrono.

It says there isn't any need to send a staffer with the photos. Cable says they have asked the Navy for photos again but suggests that checking the wire services would be quicker. 6. DIR 84886 (40-541) originated by OBIRCH O'NEAL. The AO was [John Whitten] and the R.O. is indiscipherable, he is designated as C/WH but it is not J.C. King.
